THE SHIELD SAFETY BLINDS

An attractive solution to help protect your employees with clear vinyl to maintain optical clarity.

THE SHIELD SAFETY BLINDS

The blind will have a cassette at the top and it can be motorised or chain controlled. The Blind has the option of having wire guides.

2 SYSTEMS AVAILABLE

- Chain Control - Pull up and down with a chain system mounted on the left or right of the blind.
- Motorized - Rechargeable battery motor for ease of operation.
